SUMMARY

Creative Motion Designer with over 2 years of experience in developing compelling motion graphics, animations, and video content for digital platforms. Proficient in Adobe After Effects, Premiere Pro, Photoshop, and Illustrator, with a strong focus on delivering visually appealing designs that align with brand guidelines. Passionate about creating engaging content that enhances user experience and drives brand engagement.

EXPERIENCE

GRAPHIC DESIGNER

Yamanote Atelier, Dubai, UAE (09/2024 - Present)

- Designed packaging, logos, and full branding systems for Yamanote Atelier and its sub-brands, ensuring consistency across print and digital platforms.
- Created seasonal campaigns and promotional materials, including posters, menus, and social media assets, boosting customer engagement.
- Produced product photography and visual content that captured the bakery's Japanese-inspired aesthetic and enhanced brand storytelling.
- Collaborated with marketing and operations teams to deliver high-quality creative outputs on time for key launches and occasions.
- Developed innovative packaging and campaign concepts for seasonal launches and special occasions, driving brand differentiation in Dubai's competitive F&B market.

GRAPHIC DESIGNER

Eye studio, Dubai, UAE (02/2024 - 09/2024)

- Designed and produced motion graphics and video content for social media platforms, websites, and presentations, enhancing brand visibility and audience engagement.
- Created engaging stories and posts for global brands, including Four Seasons, Raffles, Orfali Bros, Hardees, Pizza Hut, and Krispy Kreme, resulting in effective marketing strategies and increased customer interaction.
- Translated content and scripts into storyboards and style frames using Adobe Photoshop and Illustrator, ensuring visual consistency and creativity across all projects.
- Collaborated with cross-functional teams to incorporate feedback and refine designs, delivering high-quality final products on time.

MULTI MEDIA DESIGNER

Gang&Iani Media, Toronto, Canada (02/2022 - 01/2024)

- Designed marketing materials for digital and print platforms, including advertisements, brochures, and social media content, resulting in increased brand awareness.
- Created visually appealing animations and video content, ensuring consistency with client brand guidelines.
- Managed multiple projects simultaneously, meeting tight deadlines while maintaining a high standard of quality and creativity.

EDUCATION

Post Secondary Diploma in Interactive Media Design

Seneca College - Toronto, Canada (September 2021 - April 2023)

Higher Secondary School

Navabharth HSS - Attingal, India
